

**NOTICE OF PAVING AND DRAINAGE PROCEDURE AND FEE CHANGES**

Pursuant to the approved Miami-Dade County Implementation Order 4-111, effective November 1, 2014, the fee schedule for the submittal of Paving and Drainage Plans have change to the following rates:

**Initial Paving and Drainage Plans Review**

For projects 2 Acres or less - the base fee.....	\$1,000.00
For project over 2 Acres.....	\$1,000.00 plus \$1,000.00 per Acre over 2 Acres with a maximum of \$5,000.00

**Resubmittal Paving and Drainage Plans\***

Second and Third submittal.....	no charge
Fourth submittal and every resubmittal thereafter.....	\$1,000.00

**Required Re-approval Paving and Drainage Plans After One Year**

Re-approval required for expired permit plans (plans expire one year after approval).....	\$1,000.00
--	------------

**\*All Resubmitted Paving and Drainage Plans are subject to the resubmittal fee schedule regardless of the initial submittal date.**

In order to expedite the Paving and Drainage review process, the certified acreage of the project must be shown on the Paving and Drainage Plans and the required application form. Failure to provide the certified acreage on the Paving and Drainage plans and on the associated completed application form along with correct processing fees will result in the rejection of the plans submittal. All fees to be paid by check and made out to Miami-Dade County.
